Community Forum Notice
Memorial School Library-Media Center
January 17, 2024 from 4:00 p.m. to 6:00 p.m.**

Regional School District 13 will be hosting two community forums related to long range facility planning on January 17 and 18. Each forum will begin with a short presentation about future facility planning options, and the majority of the time will be spent with participants in small groups discussing the ideas presented, asking questions, and sharing their own thoughts.

Please register to participate in one of our community forums using [this form](#) no later than January 11, 2024.
