To: Vinal/Voag Parents and Students from District 13
From: District 13 Bus Coordinator
Re: Professional Development Days
Date: December 1, 2018
cc: Dattco Bus Company
Vinal Technical School
Middletown High School

To assist in any questions that may arise regarding bus transportation to Vinal Tech and the Voag program at Middletown High School, we have developed a plan for Professional Development (PD) Day scenarios that may occur:

- **District 13 – Closed for Full-Day PD / Middletown – Regular Full Day:** If Regional School District 13 has a full day of PD and our schools are closed, but Vinal/Voag are in session we still run a regular bus for Vinal/Voag.
- **Half-Day PD Days for RSD13 / Middletown – Regular Full Day:** Buses will go to Vinal/Voag after they cover District 13. Students are typically reminded by drivers that they may be late that day if a bus gets delayed when dropping off District 13 students.
- **District 13 – Early Release / Middletown - Early Release:** Buses will go to the school that is released early first and then go to the other schools when finished with the drop-off for the earlier school.
- **District 13 – Full Day / Middletown – Early Release:** Buses will run their schedule based on early dismissal times for each school.
- **District 13 – Full Day / Middletown – Late Arrival:** Late arrival students are picked up at regular time and dropped off at school. They wait in the cafeteria until school starts.

Please feel free to contact Dattco to confirm transportation on Professional Development days at (860) 349-8479.
