Dear Sir,

RE: AGREEMENT BETWEEN REGIONAL SCHOOL DISTRICT 13 AND 123RF LIMITED DATED 15 SEPTEMBER 2020 (“AGREEMENT”)

NOTICE OF DATA BREACH

(All defined terms stated therein in this letter shall bear the same meanings under the Agreement.)

We, Inmage Lab Pte. Ltd. as the new legal and beneficial owner of Pixlr at <https://pixlr.com/> are writing to formally give you notice of a data breach incident.

What Happened?

We learned about the data breach on 18 January 2021 and upon extensive internal inquiries, we are able to conclude on the following:

- The source of the data breach was traced to unauthorized access at our backup database where basic information of our registered users were copied.
- We suspect the data breach occurred on 7 October 2020.
- An estimated figure of 1.9 million users were affected.
- 6 registered users from Regional School District 13 with the domain name of rsd13.org are affected.

What Information Was Involved?

The copied information only involved:

- Email addresses
- Strongly encrypted hashes of the password

What We Are Doing?

- We are actively notifying the affected users to work with them to remedy the situation.

- We have identified the steps required to mitigate the incident and are taking preventive measures to avoid a further occurrence of this incident.
- At present, we are proactively responding to all the queries posted by our registered users in relation to the data breach.

What You Can Do?

- Rest assured, Pixlr and its systems are now secure as we have incorporated additional security measures.
- All the passwords were well secured with cryptographic encryption, however as an additional precaution you may request the 6 affected users to reset their password. **Please note that no other information were copied or exposed.**

For More Information
